Frequently Asked Questions

(Every Member Should Read This)

What should I do when I sell my property at Barefoot Resort?

Provide proof of sale upon closing by forwarding a copy of the first two pages of the HUD settlement statement to the Membership Dept. The Membership Dept. will then initiate cancellation and any dues credit owed member and also correspond with the buyer regarding their membership options. Of course, the membership is transferable to the buyer of a property which has a membership attached as the member/seller forfeits the membership upon closing.

Is there an inactive member status?

- Inactive status is available to a property owner who owns multiple properties and wishes to have a membership attached to each property. The owner must pay an initiation fee for each property but must only pay \$25 monthly dues for the inactive property.
- There is no inactive or “reduced benefit” status for those owners whose permanent residence is out-of-town. A member with only one property must be enrolled at least at the Social level.

How do we handle multiple owners of one property?

- For current property owners, each owner must pay the initiation fee and monthly dues of the membership.
- For new purchasers, Centex/Pulte and North Beach Plantation Towers cover one initiation fee with each property sold. Additional owners must pay an initiation fee of \$3,000 and appropriate monthly dues.
- For resale purchases, additional owners must pay an initiation fee of \$3,000 and appropriate monthly dues.

How are memberships transferred?

- Memberships are not transferable from one property to the next. The value of the membership remains with the property and the seller of property forfeits the membership upon closing.
- Buyers of resale property that have memberships attached currently pay a \$2,000 transfer fee to Barefoot Resort Golf Course,

LLC. The transfer fee will likely increase as the value of the Resort Membership increases.

What happens when I fall behind on account and dues payments?

Any member with an account that is 30 days or more past due will not be allowed to charge to their member account until the balance is paid in full. Any member with an account that is 60 days or more past due will not receive any member discounts or privileges until the balance is paid in full. Accounts 6 months past due result in revocation of membership with full initiation fee required for reinstatement.

How do I keep up with my account balance?

The Accounting Dept. sends statements to all members depending on account activity and dues charges. If a member charges to an account, a statement listing all charges will be sent at the beginning of the following month. Statements listing dues charges are sent at the beginning of each quarter (calendar year) following the date the actual charge is made. Statements may be sent to members either by e-mail or through the postal service.

May members switch from Social level to Golf level and vice versa?

Yes, members may switch from Social to Golf or vice versa at any time depending on when the member last changed levels. Barefoot does not switch members between Golf level and Social level depending on the time they are at or not at Barefoot Resort.

There is no additional fee for switching to the Golf level or switching to the Social level.

What is the member-guest rate?

Currently ranges from \$35 to \$95, depending on season and time of day. Resort member guests play at member-guest rate. Member-guest rates are tied to the full “walk-in” rates and season.

Guests of members may use an “Unaccompanied Guest Voucher” to receive the Member-Guest rate without the member having to be present. Social Members receive these rates if using the “Social Member Voucher.”
